Display Ad Guidelines

For brochure units, please submit two clean copies of your brochure, 30 words of copy, phone number, and web address.

No type smaller than 6.5 pts. If you are using a dark background, please make type 7.5 pts.

All work must be done in one of the following pre-press supported programs: QuarkXPress 5.0, Adobe Photoshop, or Adobe Illustrator for either Mac or PC. To Submit material in a program other than those listed above, or to submit film, please contact KK media partners.

Since your digital file will be directly output to plate, production must be executed as if you were sending the ad directly to a color house. Please e-mail all ad materials to carl@kkmediapartners.com.

Be sure to include the following:

- High resolution image scans and any graphics used in the ad. Save graphics in eps format.
- Copy of all fonts used in ad.
- Colors must be CMYK.
- Color proof of your finished ad.

Web Specifications:

Banners can be GIF, JPEG formats, or Flash. We accept animated images in the GIF 89a format, but limited to 3 loops. We do not accept ads that incorporate Java, Shockwave, Future Splash, video, or any other multimedia format. We do not accept MAP files. GIF files must be transparent and must contain no more than 256 colors. Ads must be submitted on disk or e-mail to carl@kkmediapartners.com.
